Yield Technologies LLC ("we" or "us") recognizes that you care how information about your organization is used and shared. We have created this Privacy Policy to inform you of our information collection, use and sharing practices for this Web site.

What information about your organization is collected and stored?

We collect and store information that you enter into this web site or that you provide to our Marketing Department. For example, when you open an account we collect and store some or all of the following information that you provide: name, billing address and community information. This information also may be used to contact you about sales, special offers and new site features.

We collect and store certain other information automatically whenever you interact with this Web site. For example, we collect your IP address, browser information and reference site domain name every time you visit this Web site. We also collect information regarding customer traffic patterns and site usage. This information is used to analyze and improve this web site and to provide our customers with a fulfilling listing experience.

Also, like many web sites, we use "cookies", which are files stored on your computer's hard drive by your browser. Cookies do not contain personally identifiable information. Cookies help us to

identify account holders and to optimize their listing experience. Cookies also allow us to hold selections in a shopping cart when a user leaves this web site without checking out. Cookies are not used on this web site to store your account information; this information is stored securely on this web site's server. When you log in at this web site with your username and password, we will assign you a secure session id. The server then passes your information to you through this secure session id. Also, we will use cookies to monitor and maintain information about your use of this web site. Cookies are also used to track the identity of the Web site you visited immediately prior to visiting this web site; otherwise, we do not track information about your use of other Web sites. Most browsers accept cookies automatically but allow you to disable them. We recommend that you leave cookies "turned on" so that we can offer you a better shopping experience on this web site.

We also may collect and store information about you that we receive from other sources, to enable us to update and correct the information contained in our database and to provide product recommendations and special offers that we think will interest you.

This Web Site is a professional audience website and is not directed for use by children. We do not intend to collect Personal Information from anyone who is under the age of 13. **No part of our website is structured to attract anyone under 13.** By using our website you represent that you are not under 13 years of age.

With whom do you share information?

We do not share with others, or sell or rent to others, any personal information that you provide to us through this Web site or through our Marketing Department, except with your consent or as described in this Privacy Policy.

We engage third parties to perform services in connection with the operation of our business. Examples of these services include payment processing and authorization, fraud protection and credit risk reduction, marketing and promotional material distribution, web site evaluation, data analysis and, where applicable, data cleansing. We provide personal information to these third parties, but we authorize them to use this information only in connection with the services they perform.

We may release personal information if we believe in good faith that: the law or legal process requires it; we have received a valid administrative request from a law enforcement agency; or such release is necessary to protect the rights, property or safety of Yieldco, or any of our respective affiliates, business partners, customers or others.

We may share non-personal information with our marketing partners, advertisers and others from time to time. Examples of such non-personal information include the number of users who visited this Web site during a specific time period or published ads to specific listing services through this Web site. This information generally is shared in an aggregated form.

As with any business, it is possible that as our business develops, we might sell or buy other assets. In such transactions, information about customers often is among the transferred assets. Accordingly, in the unlikely event that Yieldco, or substantially all of our assets, are acquired by a third party, such information may be one of the transferred assets (unless the information was collected under a previous Privacy Policy that did not permit such disclosure). Under such circumstances, Yieldco would, to the extent possible, require the acquiring party to follow the practices described in this Privacy Policy.

What steps are taken to keep personal information secure?

You will have an opportunity to change these selections by clicking on an "unsubscribe" hyperlink contained in promotional emails we send you. Additionally you may email us at **Info@Yieldcoholdings.com**. Please note that any request to be removed from such mailing lists may take up to one (1) week to become effective. What about online surveys?

We may from time to time conduct on-line surveys. When you complete an online survey, we may ask for certain information including your age, zip code, shopping habits, email and/or mailing address. This information will be treated in accordance with this Privacy Policy.

How will I be informed about changes regarding this privacy policy?
